

IMPORTANT: PLEASE READ AND RETURN

After an initial photo consent form sent out towards the end of last year, we did not receive as many replies as expected and some replies were unclear. I am sorry to have to send the letter out again, but this time, please only return this letter if you **DO NOT** want your child's photograph (names not used with photographs) on our media platforms. A non-returned slip means that you are happy for your child's photograph to be used.
